**September 2022 Lecture to the K of C council 12554 - A Prophecy concerning
“The End Times” - one given to Luz de Maria from our Lord Jesus Christ (give a
short bio on Luz)**

What Are We Seeing as Men Who Are Protectors and Providers of Our Families?

The Now Word by Mark Mallet July 20, 2022 quotes Ezekiel 33 ...

You, son of man, I have appointed watchman for the house of Israel; when you hear me say anything, you shall warn them for me. If I tell the wicked, “O wicked one, you shall surely die,” and you do not speak out to dissuade the wicked from his way, the wicked shall die for his guilt, but I will hold you responsible for his death. But if you warn the wicked, trying to turn him from his way, and he refuses to turn from his way, he shall die for his guilt, but you shall save yourself. —Ezekiel 33

From the Blessed Virgin Mary to Luz De Maria, July 30, 2018: **MAY YOU NOT BE
FRIGHTENED BY WHAT HEAVEN HAS DECLARED TO YOU SO THAT YOU
MAY PREPARE, BUT MAY THAT WHICH YOU KNOW BE WHAT LEADS YOU
TO INCREASE YOUR FAITH, THE DESIRE TO SAVE THE SOUL AND THE
DESIRE TO COOPERATE IN THE SALVATION OF SOULS.**

**MESSAGE OF OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ
DE MARIA JULY 18, 2022**

My Beloved People, receive My Blessing.

I bless your spiritual bodies, your physical bodies and all their organs....

I bless your family ties...

I bless respect, unity and truth....

I bless charity and honesty....

I bless parents and children...

I bless every home...

I bless your minds and thoughts....

I bless every word so that everything that comes to you and goes out from you would be for the good of the soul and for your salvation.

YOU ARE FREE, MY CHILDREN - FREE TO SERVE IN MY VINEYARD, FREE TO LOVE ME AND TO LOVE MY MOST HOLY MOTHER. You have free will so that each person might decide whether or not to follow Me. Within that freedom, each of you has the Gift of Discernment by which each person individually knows that in order to stand firm in the spiritual life they must know the foundations that make the structure strong and firm.

THE FOUNDATIONS OF MY HOUSE ARE WRITTEN WITH THE LOVE OF MY FATHER, WITH MY BLOOD AND WITH MY HOLY SPIRIT.

I have remained with My children in order to nourish them and so that they would walk along My Path; I have given them My Mother so that they would love Her and Divine Assistance so that they would not remain alone.

My children are recognized by their love for their neighbor, by their fraternity among themselves: this is the sign that they are My children. (cf. Jn 13:35).

My People:

THE SPIRITUAL BATTLE IS INTENSIFYING; THE POWER OF EVIL HAS UNLEASHED ITS RIDER UPON HUMANITY, bringing the scourges of nature, famine, disease and the fall of the economy, advancing from country to country, with the purpose of cultivating wrath in My children so that they would be aggressors and thieves.

MY BELOVED PEOPLE, YOU CONTINUE NOT TO UNDERSTAND THAT HUMAN BEINGS WHO LIVE FAR FROM ME ARE PREY TO EVIL. Those who are weak due to not receiving Me, those who do not amend their way of sin, of pride, of disobedience, of concupiscence, are in grave danger of falling prey to evil, of becoming

the servants of evil and of condemning themselves. Pride, man's great evil, is a great danger for the soul at this very moment, because it opens the doors to Satan more than before. YOU MUST LIVE EACH MOMENT IN ORDER TO GROW SPIRITUALLY, NOT SO THAT EVIL WOULD LEAD YOU AWAY FROM ME.

Spiritual life is not static, My children: you must constantly call upon Me so that I may work and act in and with you. I am not a stranger, "I am your God" (Ex 3:14) and I love you, I seek you by every means so that you may come to Me; I do not want you to be lost. Heed my calls, do not let them pass you by. If you would see what is approaching, you would change ipso facto, without doubts or reservations. My People are hard and that is why they experience such great trials.

A NEW VIRUS WILL APPEAR... I call you to use the plant called *Fumaria officinalis* L. with its stems, flowers and leaves, marigold for the skin and garlic.

Without fear, trust in My Love for My People; I have already mentioned to you that humanity will change; war will spread.

My children, I warn you so that you would draw near to Me and begin to convert.

Invite Me to remain in you; in this way you will turn away from sin.

Each one of you is My great Treasure... Call Me and do not separate yourselves from Me. I love you; enter into My Heart.

Your Jesus

COMMENTARY OF LUZ DE MARIA

Brothers and sisters:

We find ourselves before a very specific call from Our Lord Jesus Christ to renounce worldly things and return to Him. The subtle background of what is happening is not known to us, but to those who belong to the elites; our Lord's guidance in this respect is therefore one more blessing for each one of us.

As Our Lord Jesus Christ has told us in detail, spiritual warfare goes beyond temptation or a fall. At this moment the Devil is pouncing upon us in order to rob us of the possibility of conversion. Every wrong step is an opportunity for the Devil and he comes immediately in order to act.

Our Lord tells us that we are free: we have free will ... we can decide between good or evil, but man has free will in order to choose the good that makes him whole, not evil. He possesses intelligence in order to seek the truth and not error that confuses him. What happens is that many run after what the majority want, and sometimes they have no idea what they are going to do, nor do they discern the consequences. We are therefore called by Our Lord to be fraternal, to be witnesses of His Love. This is how we are distinguished as Christians: in loving one another. Amen.

Who is Luz de María de Bonilla? She is a Catholic mystic, stigmatist, wife, mother, Third Order Augustinian, and prophet from Costa Rica, currently residing in Argentina. She grew up in a very religious home with great devotion to the Eucharist, and as a child, experienced heavenly visits from her guardian angel and the Blessed mother, whom she considered her companions and confidants. In 1990, she received a miraculous healing from an illness, coinciding with both a visitation from the Blessed Mother and a new and more public calling to share her mystical experiences. Soon she would fall into profound ecstasy not only in the presence of her family—her husband and eight children, but also of people close to her who began to gather to pray; and they, in turn, formed a prayer cenacle, which accompanies her to this day.

After years of abandoning herself to the will of God, Luz de María began to suffer the pain of the Cross, which she carries in her body and soul. This first happened, she shared, on Good Friday: “Our Lord asked me if I wanted to participate in His sufferings. I answered affirmatively, and then after a day of continuous prayer, that night, Christ appeared to me on the Cross and shared His wounds. It was indescribable pain, although I know that however painful it may be, it is not the totality of the pain that Christ continues to suffer for humanity.”

It was on March 19 of 1992, that the Blessed Mother began to speak regularly to Luz de María. Since then, she has mostly received two messages per week and on occasion, only one. The messages originally came as internal locutions, followed by visions of Mary, who came to describe Luz de María’s mission. “I had never seen so much beauty,” Luz said of Mary’s appearance. “It’s something you can never get used to. Each time is like the first.”

Several months later, Mary and Saint Michael the Archangel introduced her to Our Lord in a vision, and in time, Jesus and Mary would speak to her of coming events, such as the Warning. The messages went from being private to public, and by divine command, she must communicate them to the world.

Many of the prophecies Luz de María has received have already been fulfilled, including the attack on the Twin Towers in New York, which was announced to her eight days in advance. In the messages, Jesus and Mary express their profound sadness over man’s disobedience of the Divine law, which has led him to align with evil and act against God. They warn the world of coming tribulations: communism and its coming peak; war and the use of nuclear weapons; pollution, famine, and plagues; revolution, social unrest, and moral depravity; a schism in the Church; the fall of the world economy; the public appearance and world domination of the antichrist; the fulfillment of the Warning, the Miracle, and the chastisements; the fall of an asteroid, and the change of terrestrial geography, among other messages. All this is not to frighten, but to urge man to turn his gaze toward God. Not all of God’s messages are calamities. There are also proclamations of the resurgence of true faith, the unity of the people of God, the Triumph of the Immaculate Heart of Mary, and the final Triumph of Christ, the King of the Universe, when there will no longer be divisions, and we will be one people under the One God.

Father José María Fernández Rojas has remained beside Luz de María as her confessor from the beginning of her locutions and visions, and two priests work with her permanently. The messages she receives are audio recorded by two people and then transcribed by a nun. One priest makes spelling corrections, then another gives the messages a final review before uploading them to the website, www.revelacionesmarianas.com, to be shared with the world. The messages have been gathered into a book entitled, *Thy Kingdom Come*, and on March 19, 2017, Juan Abelardo Mata Guevara, SDB, Titular Bishop of Estelí, Nicaragua, granted them the Imprimatur of the Church.
